The Honorable William J. Casey
Director of Central Intelligence
Central Intelligence Agency
Washington, D.C. 20505

Dear Bill:

We again thank you for your forward looking and insightful testimony on personnel management issues before the Committee on July 23, 1986. We also appreciate the CIA's cooperation with the Committee staff in initiating our review of the Intelligence Community's personnel needs and programs.

To facilitate our review, it would be most helpful if the Agency would supply readily available information on the CIA's personnel planning, recruitment, training, and management. An Appendix to this letter details the needed information. We request that this data be provided to the Committee by September 5, 1986. John Despres of the Committee staff will stay in touch with the Deputy Director of Personnel in the CIA, to arrange for the receipt of these materials.
